# L DYSPEPSIA CURE

Kodol Dyspepsia Cure is the remedy that will let you eat all you need-or want. If you will use Kodol you will soon be able to eat any and all kinds of food. Kodol is the only digestant or combination of digestants that will digest all classes of food. When you take Kodol everything you eat tastes good, and every bit of the nutriment that it contains is assimilated and appropriated by the blood and tissues. Did I have been selling Kodol Dyspepsia Cure since 1897 and have never had a single complaint. As it has proven so successful and is

decidedly the best stomach medicine I handled. I decided to try it myself, and can state truthfully that it has done me more good than anything I ever used for Indigestion and Dyspepsia. J. R. RYAN. Merchant & County Treas.

Everyman, every woman and every child who is sick, puny or weak can soon eat heartily and enjoy every meal if they will take Kodol.
